KBS RUSTSEAL

RustSeal is available in Gloss Black, Satin (OEM) Black, Silver, Grey, Oxide Red, Green, Safety Blue, Galvanized Steel & Cat Yellow.

RustSeal is a superior one part, ready-to-use, high-solids content, rust preventive coating, that is actually hardened by exposure to moisture.

It is impervious to road salts and most every chemical. RustSeal flows out to a beautiful, rock-hard, tough ceramic-like coating that is tough to chip or scratch, and will not crack or peel.

Unlike other corrosion treatments, **RustSeal is an enhancement that LASTS!** Water and air are locked out, therefore oxidation, the precursor to rust, cannot take hold.

No other brand is tougher on rust! Using premium quality materials & advanced color formulations, this high tech performance coating is the present-day answer for 21st century rust protection.

RustSeal is the most PERMANENT COST-EFFECTIVE solution for stopping rust & corrosion anyplace where it is a problem: home, automotive, industry, fleet, farm & more!

APPLICATIONS

AUTOMOTIVE: Chassis • Floor Pans • Wheel Wells Fenders • Trunks • Engines • Suspension Parts • Axles • Roof Drains • Springs • Doors • Almost Every Part on a Car Except the Exhaust!
